

Burglary at Binton Cottage in Brighton Lane where various kitchen white goods and an industrial hoover taken on the night of Tuesday, 6th February). The police are aware of it but if anyone has any further information please contact them.

"I can confirm that on arriving home last night (Tuesday 6th Feb, 7:10pm), there was a white small box van (Berlingo sized) parked at the bottom of our hill, on the right hand side, close to the entrance to the North Downs Way. Lights were off and no one in the van. I'm one for looking at how old vehicles are - I noticed that it was a 55 plate but nothing else. It was parked as if it was heading towards The Sands. It was still there at 7:20pm but gone at 8:35pm. "
