

LEST WE FORGET

The Seale & Sands War Memorial Conservation Appeal 2018

Our aim is to raise £2500 to clean and preserve our war memorial

**Please support our appeal to conserve the names of
thirty three local men who gave their lives for our freedom.**

Our War Memorial is in a sorry state. The names are increasingly illegible and the whole memorial requires specialist cleaning. We have commissioned a War Memorials Trust approved conservator - restorer Richard Rogers Conservation Ltd to undertake the works, due to commence in early October 2018. The works are estimated to cost £5000 and we have already secured a grant of £2250 from War Memorials Trust and this appeal is looking to raise the balance we require. Can you help?

You can give by: cheque, made payable to Seale & Sands Parish Council sent to 72 Crooksbury Road, Runfold, Farnham, GU10 1QD, bank transfer to the Parish Council bank account 02047479 30-94-41, our Just Giving page at www.justgiving.com/crowdfunding/sealesandswarmemorial or any of the giving boxes sited around Seale & Sands.
